**Breakthrough Healing Workshop, January 26-29, 2023**

As a reminder, you are receiving this email because you have expressed interest in St. Thomas Aquinas Society.

**Dear Friends,**

As we continue in this Advent, we thank God for all His many blessings and look with anticipation to the celebration of the birth of Jesus.

This also brings forward the love and sacrifice of Bl. Mother and St. Joseph. Their spirit of love and obedience to the Father's will reminds us of our commitment when we pray in the Angelus: **Be it done unto me according to Thy will.** Thanks to Bl. Mother's **Yes**, we have a Savior whose birth we commemorate with the celebration of Christmas. And thanks to St. Joseph's **Yes**, we have an example of the strength and protection for Bl. Mother and Jesus as Protector of the Holy Family, but for us too, and also Protector of the Church.

He is very strong and is Terror of Demons. We can lean on him too during this pilgrimage of life, to help guide us and protect us, our families and our homes.

With the joy of the Christmas Season, it is easy to forget why Jesus became Man: to redeem us. Bishop Sheen said that we were all born to live. Jesus is the only one born to die, and that was for us. His **Yes** brings hope and joy and celebration.

As we enter a new liturgical year, let us be thankful every day and let us keep our eyes fixed on Jesus with a renewed attitude of gratitude.

We wish all of you a Merry and Blessed Christmas with the courage and faith of Bl. Mother and Joseph as they lived out this mystery as they journeyed to Bethlehem.

# Breakthrough Healing Workshop News

## **Tony Melendez will be joining us for the Workshop!**

Many of you are familiar with Tony Melendez. We are excited to tell you that he will be coming to join us during this workshop. We can look forward to a great and uplifting concert, and of course to seeing him again.

We look forward to seeing Jose Melendez again too. Jose will help us with our audio/visual needs.

Over the years, we are happy to feel the family spirit of being together once again.

**Date and time of the concert will be announced.** Please keep watch on our website for all news. We try to update as quickly as we can.

## **PLEASE REGISTER TO JOIN US**

We have received many registrations already. You are welcome to join us. Please register at [stthomasquinassociety.org](http://stthomasquinassociety.org). It is important to us in planning for you, and *please include both first and last name*. Registrations are listed by last name and sometimes we have to contact registrants again if they have not included their last name. Please keep this in prayer. We anticipate a great turnout.

Current registrations include AZ, DE, NC, OK, TX, LA, MA, NE, HI, MN, NM, CO and Ontario as well as Colorado Springs. We are over 100 registrations already, mostly new people. If you don't want to miss this special event, please register. *We do not require a registration fee, but your donations will help greatly.* Because a donation comes from your heart, you will receive a blessing from God for your generosity.

## **LOCATION**

We are pleased to announce that the workshop will be held at the **Antlers Hotel** in Colorado Springs located at 4 South Cascade Ave, 80903. We do have an Antlers room block. You can find the link on our website at [stthomasquinassociety.org](http://stthomasquinassociety.org). We encourage you to inquire about being a Wyndham Rewards Member for even greater savings.

We will also have a link to the **Hilton Garden Inn** a block away. It will be posted on our website early this week.

Many of you probably remember Toby who handled our Elegante events. Toby is now at the Hilton Garden Inn. The room block at the Hilton will be for \$121 and will include breakfast.

Watch our website for additional information as it develops. And once again, if you are a rewards member at Wyndham and Hilton, be sure to keep that in mind as well.

Thanks, God bless and see you soon - Therese
